Dear Families,

With today's announcement regarding the easing of lockdown restrictions, we are happy to be able to notify you that the school will again be open for onsite learning from Thursday 18th February. Drop off and pick up restrictions remain in place around the school and we ask parents to remain in or beside their vehicles at these times. Masks must be worn by anyone over the age of 12 both inside and outside - this does not apply to year 6 students during the school day.

With the changes to gathering restrictions, we will continue to monitor the situation and advise parents if there are any changes to on-site access for parents/carers, at this stage, we are still working to minimise this wherever possible.

School excursions and camps are once again able to be undertaken, please be assured we have strict COVID risk assessments and controls in place for these events. Whilst these provide valuable learning opportunities outside the school grounds, we understand there is a heightened risk involved and alternative learning/supervision will be made available for students not attending excursions at a family's request.

Stay safe and well done on the last 5 days everyone.

Kind regards,

Bambi Afford and Shaun Mohr
Co-Principals
