

We want you!

We are looking for new members to join our school P&F committee for 2017.

Top 10 reasons to join the P&F

1. Your child benefits. It's a fact - when parents are connected to the school children do better.
2. Studies have shown that increased parent involvement in education improves student performance.
3. Your child/ren will be proud to see you being involved in our school.
4. It's an hour or two away from your normal routine each month.
5. It's a great way to meet other families with children the same age as your own.
6. You will become a greater part of your child's learning community.
7. You can help raise money for a great cause - your child's education!
8. You can help plan, create and execute fun events for the year.
9. You will experience feelings of self worth through volunteering your time and seeing your efforts pay off in the smiles of your children.
10. We're welcoming. There are no outsiders, we are all parents who have come together with common goals.
